## COMMUNITY NOTICES

### Stamp collection for C.R.Y

Since its formation in 1995, Cardiac Risk in the Young (CRY) has been working to reduce the frequency of young sudden cardiac death. CRY promotes and develops [heart screening](#) programmes and funds medical [research](#), publishes and distributes medical information written by leading cardiologists for the general public and funds specialist referral, screening and cardiac pathology services at leading UK hospitals.

"Stamps N All" is a specialist recycling company that passes on the proceeds from recycling donated items such as stamps and postcards to the charity. They can accept **Any** stamps and stamp collections – used or unused. If they are on envelopes or cards, please leave about half a centimetre around the edges. Please don't peel off stamps – it reduces their value.

Postcards – with or without stamps on, but please don't remove stamps from postcards if they are on them.  
More information can be found at [www.cry.org.uk](http://www.cry.org.uk) and a collection box is available in school.
