Kumon Scholarship information evening Monday 26th September 5.00 pm at Charfield School

Working together with our local Kumon Yate Study Centre, we will be hosting an information session for parents to find out more about the English and maths programmes available. Like us, Kumon puts a real focus on developing key study skills such as concentration, confidence, and independence which will benefit all children. Kumon also aims to nurture a love of reading, to help children of all abilities cultivate a deep understanding and realise their potential. Kumon complements what we are doing at school and is in line with many of the recent changes to the national curriculum and SATs. For parents who are able to attend there will also be information about Kumon's Scholarship programme, which will be open to children of all abilities, to allow them to study Kumon free of charge for 24 months.

If you are interested in finding out more, please attend the information session.
