What a fantastic week it has been! It has been amazing to see all the projects developing throughout the school and there has been a buzz of excitement in each of the classes. You have all shown so much enthusiasm, creativity and of course, innovation in solving challenging problems. We are especially impressed at your resilience in facing and learning from your mistakes as all great inventors do! You should all be proud of all your achievements this week. In year 4, we have been developing our own car businesses! We designed and created model cars using different materials and used our knowledge of electricity to attach propellers. We have shown so much determination, enthusiasm and resilience to keep trying even when we faced lots of challenges! We tried, tried and tried again. I am super proud of all your positivity and efforts. Well done lovely Ladybirds!

LEARNING AT CHARFIELD

This week in reception, we have taken part in our very first focus week! On Monday, we received a mysterious box containing some animals. We talked about where they could have come from and made some found posters to stick up around the school. After no one had claimed the animals, we realised that they might need a place to stay at school. We designed our own houses and dens using the iPads and went out into the forest area to make them using sticks and tarpaulin. Here are some pictures of our designs and of us working together to construct them.

CLASS OF THE WEEK

The teachers have voted and persuaded..... Class of the week goes to Dragonflies Class for showing so much enthusiasm in their learning and for being responsible.

Last weekend our cross country team took part in their first race of the season and what a fantastic morning we had! A huge congratulations to all of our runners - they were courageous, resilient, enthusiastic and most importantly they had a lot of fun. I was so proud of all of their achievements and how well they represented our school.

Watch this space for more news on our next race which takes place on November the 5th.

HARVEST THANKS

On Wednesday the whole school took the short trip across the road to St John's Church for our annual Harvest Festival.

Thank you so much for your contributions to our Harvest Collection. Our celebrations were led in church by Rev. David Russell who accompanied our singing on his guitar!
