LEARNING AT CHARFIELD

Last term Bumblebees studied the graphic novel 'The Arrival' by Shaun Tan. This book inspired their artistic skills as they used shading to show the form of shapes while creating their own worlds; developed their understanding of refugees and asylum while they created Buddhist style prayer flags offering words of hope and provided a fantastic opportunity for them to create a narrative based on a set of photos. Their narratives were beautifully written and really demonstrated the descriptive skills they have been working on. The writing from Freya and artwork created by Sophie gives you an idea of some of what we have done.

They also explored light with Mrs Szmaglik in Science and created their own periscopes. Kelan became known as Dr Pitts for all of his mind blowing knowledge during the term! You can see their fantastic Science work on display. An excellent term from Bumblebees.
