TAG RUGBY TOURNAMENT

Yesterday a Year 5/6 tag rugby team of Josh, Ben, Olie, Henry, Oskar, Millie, Sophie, Reggie and Reuben went to Manorbrook School in Thornbury for a tag rugby festival. The focus of the festival was to build skills and confidence through playing games against other schools with a new rule being introduced in each game until full tag rugby rules were used. Despite the cold and damp conditions the children showed great enthusiasm and collaboration and played some great rugby.

CLASS OF THE WEEK

The teachers have voted and persuaded..... Class of the week goes to **Ladybirds**, they have made amazing fairground rides using innovative skills and collaboration. They have also made a massive improvement on their spelling test results.

We are very proud of you Ladybirds!

SUPER MATHLETE'S THIS WEEK ARE.....

Ladybirds

For great investigations and really applying their maths skills.

RED NOSE DAY

**Friday
24 March**

School Council have consulted, and the children have voted! They would really like to support Red Nose Day in the following ways...

1. Donate £1 and in exchange swap an item of uniform for something red. For example, red socks, red tights, red polo shirt etc.
2. 50p to enter a Red Nose competition - design, make and wear your own red nose! As flamboyant as you like! To be judged by School council and a small prize awarded.
3. 50p to enter a Best Joke competition – tell the best joke! Jokes will be told in class and the best joke from each class put forward for the final in assembly on Friday 24th March.
4. Big Bake Sale (yummy) Bring your Red Nose cakes to school on Friday 24th March and School Council, with some helpers, will hold a cake sale after school

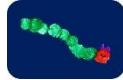

INTERNET SAFETY FOR CHILDREN

The internet gets more accessible every day. This means that children accessing the net are getting younger.

Does this concern you as a parent? Are you looking for advice on how to support and protect your child's internet access? Below are some links to useful sites offering advice

LEARNING AT CHARFIELD

As the warmer weather starts to creep in, Caterpillar class have been getting outside as much as possible! This week, we took our phonics outside onto the playground. The children practiced writing sounds onto the floor with chalk and had a competition to see who could write it the biggest.

We then wrote words with the sounds in and Miss Phillips and Mrs Tyler were very impressed with the enthusiasm and resilience shown by all of the children.

COMMUNITY NOTICES

What do Rainbows do?

Being a Rainbow is all about developing self-confidence, building friendships, trying new things and having fun. Rainbows learn by doing - they get their hands dirty with arts and crafts, cooking and playing games. Rainbows are girls aged five to seven (four to seven in Northern Ireland) who follow a programme called the Rainbow Jiggy, through which they can take part in lots of different activities with girls their own age.

See what Rainbows do at www.girlguiding.org.uk/rainbows
