WELCOME BACK!

I hope you all had a fantastic Easter break and are raring to go on our final term of the year! There is a lot that takes place in the Summer Term so it will be busy but incredible fun.

PARENT SURVEY

Thank you for your responses and feedback. The survey is now closed and we will inform you of the main findings and actions shortly.

CLASS OF THE WEEK

The teachers have voted and persuaded..... Class of the week goes to **Bumblebees**, because they have been amazing all week, showing great responsibility and enthusiasm with their work. A great start to the term!

DID YOU GO DRAGON HUNTING?

We hope you managed to make it to Berkeley Castle during the Easter break. If you did make a visit and have photographs we would love to see them and add some to our Dragon Display!

Please have a look at the attached letter from The Friends regarding their bid for the development of the Performance Amphitheatre with Tesco. All support would be greatly appreciated.

THANKS CUGUC!

Have you noticed how bright and cheerful the village looks at the moment? This is down to the fantastic work of the Clean Up Green Up Charfield group. I would particularly like to say thanks to Kate W and her family for taking time to clean up the flower bed in front of the school!

Kate has told me "Me and my family have joined the Clean Up Green Up Charfield team. We are looking after the garden in front of the school. Last Sunday we spent some time digging up weeds and clearing space for new plants. It was really hard work but I really enjoyed it as I want my school front to look neat and tidy. There is still a lot of work to be done. So I hope we have a nice summer!"

SUPER MATHLETE'S THIS WEEK ARE.....

Wow! You have been fantastic Mathematicians over the Easter holidays and since we've come back to school. Mathlete class of the week this week goes to Butterflies - a superb effort, well done.

LEARNING AT CHARFIELD

SHIPWRECKED BEETLES

In Year 3 we have created an island to be the setting for a story. To get the children to think about what the island is like they have imagined they have been shipwrecked on the island and have written a letter asking for help.

This is Jasmine's letter

Friday 28th April 2017

To whoever find this message,

I have been stranded on a strange island. My boat ran storm and we capsized. Luckily, we were close to land and ashore. I have been here a whole week now and no my crew has made it here. I can only assume they are drowned.

There's volcanoes every where there all about to erupt so help me as soon as you've seen the message. There are pts blowing bubbles like they are going to erupt. There was orange and red hot lava come bursting I manage to escape but then I landed in a not note place..#

I landed in a place that has ~~groats~~ every one who and when you walk pass a ~~too~~ tower they make a cry
