CLASS OF THE WEEK

The teachers have voted and persuaded..... Class of the week goes to **Ladybirds**, because they have produced some amazing persuasive writing and were very enthusiastic at the Big Sing event on Wednesday.

PARKING

Once again it has been brought to our attention that cars are being parked in places that cause congestion or put our children at risk (the latter being my concern)

Yesterday was particularly concerning. One of our neighbours had removal vans working but our parent parking compounded the congestion and risk.

Please be considerate and park in a safe place. We have a long standing agreement that parents can use the **Memorial Hall car park**. That is less than 2 minutes walk to our school.

SAT WEEK – TIME TO SHOW OFF YEAR 6 !!

Next week our Brilliant Bumblebees will complete their Key Stage 2 SAT tests. The children have ALL worked so hard and so enthusiastically in the run up to next week. They are more than ready for this!

Bumblebees –Next week will be the chance for you to shine and show off how great you are in English and Maths. A time to show your knowledge and determination!

However you must also remember the other amazing skills you possess. Amongst you Brilliant Bumblebees are fantastic scientists, historians, artists, designers, sportspeople and so much more. The tests don't measure kindness, cooperation and inquisitiveness – If they did you would all ace them!

I have been very privileged. Watching you grow from cute, bubbly 4 year olds (yes - even you boys) into the fantastic 11 year olds we see today. I am proud to know you as individuals; to see how hard you work and to see how great you are towards each other.

You are all amazing!

Relax, enjoy your weekend - Show off and shine next week!

Please have a look at the attached letter from The Friends regarding their bid for the development of the Performance Amphitheatre with Tesco. All support would be greatly appreciated.
