

Working together.... Learning for life

www.charfieldschool.org.uk

WELCOME BACK!

We hope you all had a fantastic half term break and are raring to go in our final term of the year!

There will be a lot of information coming your way during the next few weeks so please keep an eye on Newsletters and your child's book bags

CLASS OF THE WEEK

The teachers have voted and persuaded.... Class of the week goes to **Caterpillars**, because they have been brilliant, enthusiastic and hardworking, showing real resilience and collaboration with their drawings this week and during Sports Day. You have demonstrated all of our school values. Well done!

SUPER MATHLETE'S THIS WEEK ARE.....

Ladybirds have put in a tremendous effort this week to win the Mathlete class of the week. Well done Ladybirds - keep this enthusiasm up and see if you can make Miss Lea even prouder of your maths practice.

Sports Day 2017

We hope everyone enjoyed our Sports Day on Wednesday. We were lucky with the weather and the all of the children competed with great enthusiasm, sportsmanship and pride. The key stage 1 children demonstrated great throwing, catching, dribbling and jumping skills before some very close races. A big thanks should go to our super Year 6's for running the scoring. There was a great buzz during the picnic as the children from key stage 2 found out the scores from the morning and prepared for the afternoon. As with the infants, our juniors showed amazing enthusiasm and resilience to keep going in the hot conditions. There were also some fantastically close races. Thanks for the afternoon scoring needs to go for the Year 10 students of KLB, without whom we would not be able to have a successful sports day. In the end Kestrel came out victorious for the second year running although all of our children should be enormously proud of they way they competed. Lastly, we would like to thank the Friends for keeping us refreshed throughout the day and also all of the parents who came along to support Sports Day. (And take part in the parent races)! We hope to see you again for Sports Day next year.

LEARNING AT CHARFIELD

Year I are getting ready to make their Pirate Galleons. They have been designing them and thinking about what features they need to include. Can they tell you what the main features of a galleon are?

LOST GUITAR

One of our children brought a guitar into school and unfortunately someone seems to have taken it home by mistake. Please can you check all guitars that come into school to check your child has the right one. Many thanks.

COMMUNITY NOTICES

THE FRIENDS

The Friends are looking for someone who would be willing to please help us make a story teller chair for the new outdoor amphitheatre learning area. We are also looking for people who would be interested in helping out with

any of our future jobs/projects, including project management, odd jobs, specific skills or would just like to help out. All materials provided.

Please contact the school office with your details or contact Rob (Chair of the Friends) on rnbarter@hotmail.com or 07816 274111. Any support you can provide directly supports the children's learning environment and will help reduce the Friends costs so the money raised can be used towards other school funding requests. It is also very rewarding and a chance to join an enthusiastic team! Many thanks."

SOME MORE GREAT NEWS FROM THE FRIENDS!

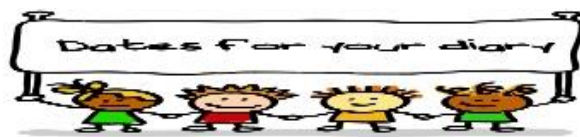

Waitrose
Community Matters
We support good causes.
You decide who gets what.

Waitrose have also selected us as one of their chosen charities to vote for in store during June. As they say about buses, you wait for one supermarket to accept us for voting and another one comes along! Any funding we receive from Waitrose will be used to support our outdoor projects, school funding requests and other initiatives to support the children's learning experience. If you are shopping in Waitrose in Chipping Sodbury during June, please make sure you ask for a token to then place in the Friends of Charfield School voting bucket. Thanks again for all your support."

MORE AND MORE GREAT NEWS FROM THE FRIENDS!

Just to remind you also that Tesco bags for help are collecting for The Friends of Charfield Primary School in their Yate store.
