WHEN THE YOUNGER GENERATION INSPIRE YOU...

Let me tell you a story.....

Two weeks ago I accidentally knocked a donation box for Cancer Research off my desk. It hit the ground and the sound it made let me know it was empty. "That's disappointing" I said to myself (yes I admit it, I talk to myself!).

I was disappointed as a group of children had said they were going to do a weekly collection for Cancer Research as part of the Race for Life. I was also disappointed in myself for not pushing or reminding them. It played on my mind, why hadn't they followed through on their challenge?

However later that day something made my week. In Silver Assembly I took my usual spot at the front and read through the certificates for the day. A large card rectangle lay at the bottom of the pile. Turning it over to read made my jaw drop! The card was actually a mock cheque. A £1015 donation to Cancer Research. The group had completed the run and managed to secure an amazing amount.

They will be holding their market stalls after school on July 11th, 13th and 18th. We would love if you could all come along and support them as much as possible in their business ventures.

Charfield Primary Music Evening

We are really looking forward to our music evening on

Please could the children performing arrive at school between 6:40pm & 6:55pm.

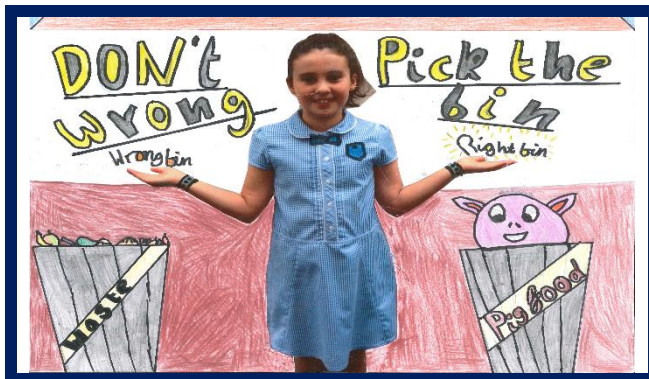

LEARNING AT CHARFIELD

DRAGONFLIES ARE RECRUITING! ARE YOU MADE OF THE RIGHT STUFF?

Year 5 have been continuing our World War 2 topic with some fantastic artwork mixed with computing. We have studied WWII propaganda and created our own posters and messages using photographs and images of ourselves. How inspiring!

COMMUNITY NOTICES

THE FRIENDS

The Friends are organising a maintenance day on Saturday 8th July at the school to do some odd jobs that the school would like doing. Jobs include:

New bark spreading in the adventure playground.

- Removing broken wooden fence around adventure playground.
- Painting wooden fence in multi-colour around school.
- Treating lattice fencing around garden area.
- Planting new flowers in the existing tubs around school.
- Clearing vegetation around the path in forest area.
- General cleaning/sweeping of areas.
- Window cleaning.

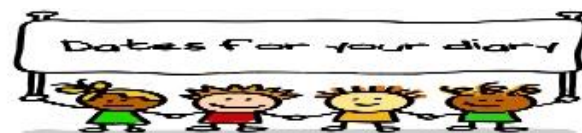

It depends on time available and amount of volunteers as to what we can get done, so the more the merrier!

If you can please spare some time to help spruce and brighten up the school it will be much appreciated! You can even bring a picnic with you ;-)

Please let us know if you are able to help by either speaking to one of the Friends committee members in the playground or e-mail Rob on mbarter@hotmail.com. It would also be very helpful if you are able to please bring your own gardening utensils with you if possible.

Aim to start around 10am and bark should have been delivered by then. End time is flexible and does not matter if you cannot be there the whole time. Any help gratefully received!
