MAKE £5 GROW

money

Don't forget that Year 6 will be holding their market stalls after school on July 11th, 13th and 18th. We would love if you could all come along and support them as much as possible in their business ventures. They have been showing amazing resilience and enthusiasm.

CLASS OF THE WEEK

The teachers have voted and persuaded..... Class of the week goes to **Caterpillars**, they did some amazing dance moves on Wednesday and today made us really proud when the Reception class for September visited. Well Done!

July 6th – July 13th

SUPER MATHLETE'S THIS WEEK ARE.....

Year 3, what a come back! This week you have really aimed to top up your class points before the end of the year. Mr G. is really proud of your fantastic enthusiasm.

Charfield Primary Music Evening

On Wednesday we had our music performance evening and all thirty five (wow!) musicians were fantastic. The children showed courage by performing for a crowd of over 50, resilience and responsibility for the practice they had clearly been doing, enthusiasm in their performances and cooperation when completing duets. Their audience was beaming throughout and they should be very proud of themselves.

Please see Mrs Watkins for information about school music lessons.

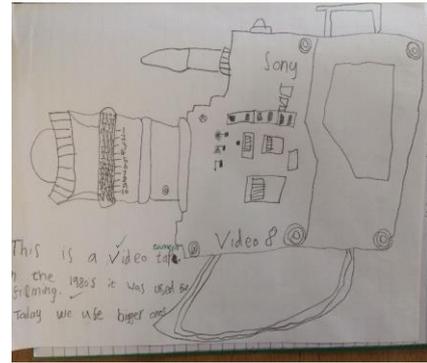

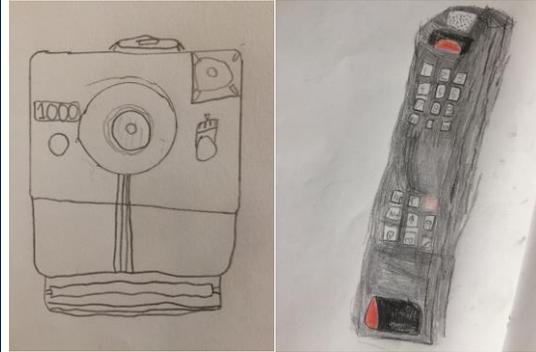

LEARNING AT CHARFIELD

Grasshoppers have had such a fantastic week learning about the 80s!

We've been investigating 80s dance styles, 80s music, 80s art, 80s fads and crazes and 80s sports icons. We've also been looking really closely at some artefacts from the 80s, drawing them and thinking about why they are the way they are - and how technology has developed. Among other things we looked at a video camera, a Polaroid camera and a big, heavy mobile phone.

What a fabulous focus week we have had! Each class has been investigating a decade of recent history.

Decades of Dance

As part of our focus week the children had the opportunity to explore the dances from their decades. The children had an absolutely fantastic day, learning their dance moves and also about the impact of fashion on how people danced. The dances explored included the Lindy-Hop, the Twist, Disco and even Hip-Hop! At the end of the day we gathered together for an assembly to share our dances with each other. There was no doubt that Caterpillars stole the show; they received a huge applause from the rest of the school!

The staff and children would like to say a huge thank you to the Friends who funded the day and allowed the children to have the opportunity to take part. It was a fantastic day and the children are still doing their dances in the playground!

COMMUNITY NOTICES

THE FRIENDS

The Friends are organising a maintenance day on Saturday 8th July at the school to do some odd jobs that the school would like doing. Jobs include:

- New bark spreading in the adventure playground.
- Removing broken wooden fence around adventure playground.
- Painting wooden fence in multi-colour around school.
- Treating lattice fencing around garden area.
- Planting new flowers in the existing tubs around school.
- Clearing vegetation around the path in forest area.
- General cleaning/sweeping of areas.
- Window cleaning.

It depends on time available and amount of volunteers as

Head to www.easyfundraising.org.uk to fundraise for Friends of Charfield School now. Already registered? Spread the word to family and friends to let them know just how easy it is!

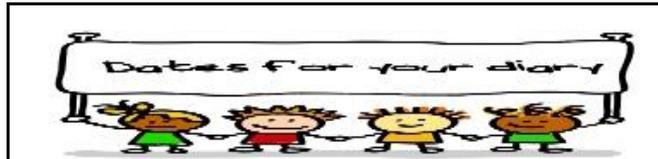

to what we can get done, so the more the merrier!

If you can please spare some time to help spruce and brighten up the school it will be much appreciated! You can even bring a picnic with you ;-)

Please let us know if you are able to help by either speaking to one of the Friends committee members in the playground or e-mail Rob on rnbarter@hotmail.com. It would also be very helpful if you are able to please bring your own gardening utensils with you if possible.

Aim to start around 10am and bark should have been delivered by then. End time is flexible and does not matter if you cannot be there the whole time. Any help gratefully received!

The Friends Committee

DATE	DAY	START TIME	END TIME	EVENT
13/07/17	Thu	14.00	15.00	Year 1 Swimming Ends
