LEARNING AT CHARFIELD

Beetle Class (Y3)

This week Year 3 have been using their measuring skills and designing an extension to the play area. We measured all the original equipment and then decided what else we would like in the new area. Next we worked out costs for each piece of play equipment to find a total cost for the works.

CHARFIELD COMMUNITY NOTICES

The summer holidays are nearly upon us and we wanted to remind you that the Out of School club is open every day throughout the six week break as well as the in-service days. We have different games and activities planned for every day as well as additional visits by the likes of Zoo lab, sort it and sports clubs. If you are having to work, or, if you are one of the many teachers who use us through term time and would like a couple of hours to yourself, remember we have half day sessions as well as full days or school hours.

Pop into the foundation room and see Pat or one of the team for a booking form.

We hope you enjoy the summer holidays.
